The planning process will include meetings with parents, local police liaison, school security, school staff, and students as requested.

Our goals to creating and implementing our School SAVE Safety Plan are:

2019-2020

**C. Concept Of Operations**

As charter schools are also school districts in and of themselves, the Mott Haven Academy Charter School District-wide Safety Plan and Building-level Emergency Response Plan are one in the same document.

The plans are developed by the School Safety Team, following District-wide Safety Plan guidelines distributed by NYSED, and in consultation with the NYC Charter School Office and Department of Education Charter school office.

In the event of an emergency or violent incident, the initial response to all emergencies at the School will be by the School Emergency Response Team. As necessary, the Mott Haven Academy Charter School Board of Directors and/or local emergency officials will also be notified.

Existing county and state resources will be called upon for assistance as possible/required through existing protocols.

**D. Plan Review and Public Comment**

We will include representatives of all key school constituents and interested parties in the development and review of this plan. The final plan will be formally adopted by the Board.

This plan will be reviewed periodically during the year and will be maintained by the School Safety (Emergency Response) Team. After approval, the required annual review will be completed on or before August 1<sup>st</sup> of each year after its adoption.

**Section II: Risk reduction/ Intervention Strategies**

**A. Prevention/Intervention Strategies**

**Bullying Prevention**

Haven Academy believes that all scholars have a right to a safe and healthy school environment. We have an obligation to promote scholarly habits which include mutual respect, tolerance, and acceptance.

Experiences during the early school years lay the foundation for ongoing peer relationships. Haven Academy implements the *Social Emotional Learning Time (SELT)* social emotional curriculum school wide. This is a comprehensive researched based program that includes a bullying prevention unit that engages scholars starting in kindergarten. The *Selt* Bullying Prevention Unit includes training and resources for school staff; classroom lessons, games, and activities; and Home Link materials for families.

Mott Haven Academy Charter School  
District-Wide Safety Plan  
2019-2020

Haven Academy will not tolerate behavior that infringes on the safety of any scholar. A scholar shall not intimidate, harass, or bully another scholar through words or actions. Such behavior includes: direct physical contact, such as hitting or shoving; verbal assaults, such as teasing or name-calling; and social isolation or manipulation.

Haven Academy expects scholars and/or staff to immediately report incidents of bullying to the principal or designee. Staff who witness such acts take immediate steps to intervene when safe to do so. Each complaint of bullying should be promptly investigated. This policy applies to scholars on school grounds, while traveling to and from school or a school-sponsored activity, during the lunch period, whether on or off school premises, and during a school-sponsored activity.

Teachers should discuss this policy with their scholars in age-appropriate ways and should assure them that they need not endure any form of bullying. Scholars who bully are in violation of this policy and are subject to disciplinary action up to and including expulsion.

The Scholar Code of Conduct includes, but is not limited to:

- Any scholar who engages in bullying may be subject to disciplinary action up to and including expulsion.
- Scholars are expected to immediately report incidents of bullying to the principal or designee.
- Scholars can rely on staff to promptly investigate each complaint of bullying in a thorough and confidential manner.
- If the complainant scholar or the parent of the scholar feels that appropriate resolution of the investigation or complaint has not been reached, the scholar or the parent of the scholar should contact the principal or the Support Services Coordinator. The school system prohibits retaliatory behavior against any complainant or any participant in the complaint process.

The procedures for intervening in bullying behavior include, but are not limited, to the following:

- All staff, scholars and their parents will receive a summary of this policy prohibiting intimidation and bullying: at the beginning of the school year, as part of the student handbook and/or information packet, as part of new student orientation, and as part of the school system's notification to parents.
- The school will make reasonable efforts to keep a report of bullying and the results of investigation confidential. Staff who witness acts of bullying shall take immediate steps to intervene when safe to do so. People witnessing or experiencing bullying are strongly encouraged to report the incident; such reporting will not reflect on the target or witnesses in any way.

**Conflict Resolution**

Mott Haven Academy Charter School  
District-Wide Safety Plan  
2019-2020

Part of a healthy environment is the freedom to openly disagree. With this freedom comes the responsibility to discuss and resolve disagreements with respect for the rights and opinions of others.

Haven Academy will incorporate conflict resolution education and problem solving techniques into the curriculum and school wide programs. This is an important step in promoting respect and acceptance, developing new ways of communicating, understanding, and accepting differing values and cultures within the school community and helps ensure a safe and healthy learning environment

Haven Academy will provide training to develop the knowledge, attitudes, and skills students need to choose alternatives to self-destructive, violent behavior and dissolve interpersonal and intergroup conflict. Scholars have expectations to follow while on school grounds, when traveling to and from school or a school-sponsored activity, and during lunch period, whether on or off school premises.

The Scholars Code of Conduct includes, but is not limited to, the following:

- Scholars are to resolve their disputes without resorting to violence.
- Scholars are encouraged to help fellow students resolve problems peaceably.
- Scholars can rely on staff trained in conflict resolution and peer mediation strategies to intervene in any dispute likely to result in violence.
- Scholars needing help in resolving a disagreement or scholars observing conflict may contact a teacher, counselor or other school staff member.
- Students involved in a dispute will be referred to a conflict resolution session with trained counselor. Other staff will keep the discussions confidential.
  
- Conflict resolution procedures shall not supplant the authority of staff to act to prevent violence, ensure school safety, maintain order, and discipline students.
