About This School

Haven Academy is redefining school by intentionally designing spaces and programs to meet the academic and social-emotional needs of all children, with a focus on those impacted by the child welfare system. United with our scholars and their families, we aim to dismantle systemic barriers to success through comprehensive support services, responsive curriculum, predictability, and an emphasis on voice and choice. We lead with empathy and forge deep relationships to build a better future in service of our resilient, resourceful, and independent scholars.

About the NYC School Survey

The NYC School Survey is administered every year to students in grades 6-12 and to families and teachers of children in grades K-12. The survey is designed to collect information about each school's ability to support student success.

Survey Response Rates

Response rates show what percentage of the school community actually completed the survey. Higher response rates tell us that the results of the survey reflect the views of a larger portion of the group surveyed.

Families (not including Pre-K): 65% (300 surveys submitted)
 Teachers: 80% (33 surveys submitted)
 Students: 98% (142 surveys submitted)
